B

Items to store in lockers:

- 1 Regular sized backpack (no wheels)
- 1 Beach size towel to store in locker
- 1 extra water bottle (reusable preferred)
- Small supply of nonperishable emergency snacks
- 1 Bottle of mosquito repellent (optional)
- 1 Small umbrella or rain poncho to store in locker

Note from teachers:

- **Lockers:** We will be utilizing lockers for storage. Students will not be able to decorate lockers or use lockers accessories. Students may bring a standard size locker shelf, but magnets, whiteboards, lights, pictures etc. will not be allowed.
- ***Binders:** Large binders/zipper binders will not be able to be used in the classroom. In place of a traditional binder or Trapper Keeper, we will be utilizing a 6-pocket expandable file folder. To get an idea of the product we plan to use, please use the QR code C to the right.
